SUMMARY

Each year the Board of Review is required by state law to establish a new process and guidelines in reviewing and determining property tax exemptions by reason of poverty in accordance with MCL 211.7u. This portion of the General Property Tax Act was created to allow homeowners who own and occupy their real residential property as a primary homestead the opportunity to be exempt of property taxes in whole or in part when the property owner is unable to contribute to the public charges as long as they have met the required guidelines established by the local governing unit and the application approved by the Board of Review and adopted by City Council by resolution in accordance with MCL 211.7u.

The Board of Review remains closely engaged in the current matters faced by many homeowners challenged with property tax delinquency and/or at risk of foreclosure. The Board of Review continues to aid the community in considering these challenges when possible to help homeowners maintain ownership within the City of Detroit by providing a connected and unified relationship with the Office of the Assessor, City of Detroit Treasury, Wayne County Treasurer and other community based agencies and organizations in order to assist as many homeowners as possible under law.

Therefore, we are presenting to this Honorable Body the 2020 Homeowners Property Tax Assistance Program Guidelines and Application in accordance with MCL 211.7u.

The Board of Review carefully and thoughtfully considered the make-up of homeowners within the City of Detroit, average household incomes for those persons who have filed for poverty exemptions in the past, reviewed guidelines and applications from other communities in the State of Michigan and consciously participating in every effort to prevent property tax foreclosure where it can by law.

The Board of Review fully understands and devotes time even outside of its normal duties to assist the community as it relates to educating and providing information to property owners when it comes to understanding property assessments and taxation. This includes providing appropriate information to supporting agencies such as UCHC, U-Snap-BAC, Accounting Aid Society, and others. In addition, board members frequently attend community meetings, seminars and workshops to provide assistance and information when requested.

Therefore, we submit to this Honorable Body for your consideration, approval and adoption by resolution the 2020 Homeowner Property Tax Assistance Program.

Bulletin 2 of 2019
February 12, 2019
Boards of Review

TO: Boards of Review and Assessing Officers

FROM: State Tax Commission

RE: 2019 Boards of Review

This Bulletin contains information that Boards of Review need to be aware of for the 2019 assessment year. The State Tax Commission Frequently Asked Questions regarding the statutory obligations for Boards of Review can be found on the State Tax Commission website at www.michigan.gov/statetaxcommission. The State Tax Commission asks that all Boards of Review carefully review this document in order to fully understand their statutory obligations. Board of Review members are also strongly encouraged to attend an annual *Board of Review Member Training Program* to review updates on statutory and policy changes.

1) Key Dates for 2019 Boards of Review

- **March 5, 2019.** The March Board of Review begins their work on the Tuesday following the first Monday in March. On this day, the Board holds their organizational meeting and formally receives the assessment roll from the assessor. This is the meeting for the Board to “get organized”. They should elect a chairperson, discuss how they are going to conduct business, review any statutory or policy changes they should be aware of for the current year and receive any briefings they want from the assessor regarding the assessment roll. The Board will not hear appeals at this first meeting.
- **March 11, 2019.** Appeal meetings of the March Board begin on the 2nd Monday in March. Local units can set an alternative start date for the appeal meetings by adopting an ordinance or resolution, but that alternative start date can only be the Tuesday or Wednesday of that same week (i.e. the Tuesday or Wednesday following the 2nd Monday in March).

The required first appeal meeting on the second Monday in March must start no earlier than 9 A.M. and no later than 3 P.M. The Board must meet for a minimum of 6 hours that day. The Board must meet a total of at least 12 hours during that first week and at least 3 hours of the required sessions must be after 6 P.M.

- **April 1, 2019.** The March Board of Review must complete their work by the first Monday in April. Assessment rolls must be turned over to County Equalization by the

Wednesday following the first Monday in April or 10 days following the close of the March Board, whichever is first.

- **July 16, 2019.** If convened, the July Board meets on the Tuesday following the third Monday in July, unless an alternate start date is adopted by the local unit.
- **December 10, 2019.** If convened, the December Board meets the Tuesday following the second Monday in December, unless an alternate start date is adopted by the local unit.

2) Alternate Start Dates for the July or December Boards of Review:

Public Act 122 of 2008 amended MCL 211.53b to provide that July or December Boards of Review may have an alternate start date. The act requires that the governing body of the City or Township adopt by ordinance or resolution alternate start dates that must conform to the following: For the July Board, an alternate date during the week of the 3rd Monday in July. For the December Board, an alternate date during the week of the 2nd Monday in December.

3) Documentation of Board of Review Changes:

The State Tax Commission requires that all Boards of Review maintain appropriate documentation of their decisions including; minutes, a copy of the form 4035, form 4035a whenever the Board of Review makes a change that causes the Taxable Value to change and a Board of Review Action Report. Form 4035 must include a detailed reason why the Board made their determination. **Assessors please note, you are not required to file the Board of Review log or Action Report with the State Tax Commission.**

Minutes must include all the following items:

- Day, time and place of meetings.
- Members present, members absent, name of elected chairperson and notation of any correspondence received.
- A log that identifies the hearing date, the petition number, the petitioner's name, the parcel number, the type of appearance, type of appeal and decision of the board of review.
- Record daily the actual hours the Board was in session, and time of daily adjournments. Record the closing date and time of the final annual session.

4) Inflation Rate used in the 2019 Capped Value Formula:

MCL 211.34d defines the calculation for the Inflation Rate Multiplier. The statute states in part:

- (l) "Inflation rate" means the ratio of the general price level for the state fiscal year ending in the calendar year immediately preceding the current year divided by the

general price level for the state fiscal year ending in the calendar year before the year immediately preceding the current year.

Further, (f) states "General price level" means the annual average of the 12 monthly values for the United States consumer price index for all urban consumers as defined and officially reported by the United States department of labor, bureau of labor statistics.

Based on this statutory requirement, the calculation for 2019 is as follows:

1. The 12 monthly values for October 2016 through September 2017 are averaged.
2. The 12 monthly values for October 2017 through September 2018 are averaged.
3. The ratio is calculated by dividing the average of column 2 by the average of column 1.

The specific numbers from the US Department of Labor, Bureau of Labor Statistics are as follows:

Oct-16	241.729	Oct-17	246.663
Nov-16	241.353	Nov-17	246.669
Dec-16	241.432	Dec-17	246.524
Jan-17	242.839	Jan-18	247.867
Feb-17	243.603	Feb-18	248.991
Mar-17	243.801	Mar-18	249.554
Apr-17	244.524	Apr-18	250.546
May-17	244.733	May-18	251.588
Jun-17	244.955	Jun-18	251.989
Jul-17	244.786	Jul-18	252.006
Aug-17	245.519	Aug-18	252.146
Sep-17	<u>246.819</u>	Sep-18	<u>252.439</u>
Average	243.841	Average	249.749
		Ratio	1.024
		% Change	2.4%

Local units cannot develop or adopt or use an inflation rate multiplier other than 1.024 in 2019. It is not acceptable for local units to indicate to taxpayers that you do not know how the multiplier is developed.

5) County Multipliers:

It has come to the attention of the State Tax Commission that some Boards of Review believe it is appropriate to develop their own County Multipliers. It is not acceptable for a local unit or Board of Review to develop County Multipliers. The multipliers developed by the State Tax Commission must be used.

6) Qualified Errors:

The State Tax Commission continues to note a number of July and December Boards of Review making changes that are not allowed by the statute. **Boards of Review and**

assessors are cautioned to take great care to ensure that any changes made by the July or December Board meet the requirements of MCL 211.53b.

MCL 211.53b provides that the July or December Boards of Review can correct "qualified errors" for the current year and one prior year, unless additional years are specifically addressed by the statute.

A correction under subsection (6) regarding Principal Residence Exemptions may be made for the year in which the appeal was filed and the three immediately preceding years.

A correction under subsection (8) that approves a qualified personal property exemption contained in MCL 211.9o for small business taxpayers may be made for the year in which the appeal was filed and the immediately preceding tax year.

The July and December Boards of Review have no authority over the Eligible Manufacturing Personal Property Exemptions contained in MCL 211.9m and MCL 211.9n. If an assessor misplaces or missed a timely filed Form 5278, that is not considered a clerical error or mutual mistake and cannot be considered by the July or December Board of Review.

Regarding MCL 211.27a(4); if the taxable value of property is adjusted and the assessor determines that there had not been a transfer of ownership, the taxable value of the property shall be adjusted for the current year and for the three immediately preceding calendar years. An adjustment under this subsection shall be considered the correction of a clerical error.

Qualified Errors are defined in MCL 211.53b as:

- A clerical error relative to the correct assessment figures, the rate of taxation, or the mathematical computation relating to the assessing of taxes
- A mutual mistake of fact.
- An adjustment under section 27a(4) – taxable value or an exemption under section 7hh(3)(b)– qualified start-up business exemption.
- An error of measurement or calculation of the physical dimensions or components of the real property being assessed.
- An error of omission or inclusion of a part of the real property being assessed.
- An error regarding the correct taxable status of the real property being assessed.
- An error made by the taxpayer in preparing the statement of assessable personal property under section 19.
- An error made in the denial of a claim of exemption for personal property under section 9o.

“Clerical Errors” and “Mutual Mistakes of Fact” are defined by the courts as follows:

Clerical Error was defined by the Court of Appeals in *International Place Apartments v Ypsilanti Township* 216 Mich App 104; 548 NW2d 668 (1996), as “an error of a transpositional, typographical, or mathematical nature.” July and December Boards of Review are NOT allowed to revalue or reappraise property when the reason for the action is that the assessor did not originally consider all relevant information.

Mutual Mistake of Fact was defined by the Court of Appeals in *Ford Motor Co v City of Woodhaven*, 475 Mich 425; 716 NW2d 247 (2006) as “an erroneous belief, which is shared and relied on by both parties, about a material fact that affects the substance of the transaction.” This definition was clarified by the Michigan Supreme Court in *Briggs Tax Service, LLC v Detroit Public Schools*, 485 Mich 69; 780 NW2d 753 (2010). The Michigan Supreme Court indicated that to qualify, the “mutual mistake of fact” must be one that occurs only between the assessor and the taxpayer.

7) Disabled Veterans Exemption:

The State Tax Commission has issued significant guidance on the Disabled Veterans Exemption. This guidance can be found on the State Tax Commission website under “What’s New”. Boards of Review are encouraged to review all Disabled Veterans Exemption guidance issued by the State Tax Commission.

Boards of Review are strongly cautioned that the determination that a veteran is 100% disabled or individually unemployable is made by the U.S. Department of Veterans Affairs. Boards of Review **do not** have authority to make an independent determination that a veteran is 100% disabled or individually unemployable. Conversely, Boards of Review **do not** have the authority to determine a veteran is not 100% disabled or individually unemployable once the U.S. Department of Veterans Affairs has issued their determination.

Disabled Veterans Exemption for Unremarried Surviving Spouse: The State Tax Commission is aware that the Michigan Tax Tribunal in MTT Docket 16-004780, *Deborah E. Rabun v City of Farmington Hills*, held that a surviving spouse cannot qualify for the exemption when the deceased disabled veteran never owned or occupied the subject property as a homestead.

While the STC understands that is the position of the MTT, the STC does not agree or support that determination. It was never legislative intent that the unremarried surviving spouse be required to forever live in the original home. In fact, the STC in their original guidance indicated that: *the Disabled Veteran’s exemption is not an exemption for the benefit of the property. Instead, it is an exemption personal to the qualifying disabled veteran or the unremarried surviving spouse of the qualified deceased disabled veteran.*

Since the exemption is personal to the qualified individual the STC is advising assessors and Boards of Review that they can and should approve exemptions for unremarried surviving spouses that meet all other statutory requirements, regardless of if the disabled veteran ever owned or occupied that subject property as a homestead.

8) Personal Property Tax:

On May 3, 2018 Governor Snyder signed in law P.A. 132 of 2018. This act made changes to the Small Business Taxpayer Exemption (MCL 211.9o), specifically changing the filing requirements to provide that eligible taxpayers **do not** have to annually file to receive the exemption. Taxpayers who filed for the exemption in prior years still must file Form 5076, *Small Business Property Tax Exemption Claim Under MCL 211.9o*, in 2019 to claim the exemption. Once granted, the assessor will then continue to exempt the personal property until the taxpayer files a rescission indicating they no longer qualify for the exemption.

Assessors can implement an audit program to determine if taxpayers still qualify for the exemption.

As a reminder, Public Acts 261-264 of 2017 were signed into law on December 28, 2017. These Acts made several changes that affect both the Small Business Taxpayer Exemption and the Eligible Manufacturing Personal Property Exemption (EMPP).

P.A. 261 of 2017 changes the deadline for filing the Small Business Taxpayer Exemption to February 20 and changed Form 5076 from an Affidavit to a Statement. This allows the assessor to accept either a facsimile or electronic signature on Form 5076. Form 5076 has been updated to reflect these statutory changes.

P.A. 261-264 of 2017 also changed the statute to allow assessors to accept a postmark by February 20 for Form 5278 to claim the EMPP exemption. Form 5278 and Form 632 (Personal Property Statement) have been updated to reflect these statutory changes.

Finally, P.A. 261-264 of 2017 changed the appeal procedure for both the Small Business Taxpayer Exemption and the EMPP exemption. Taxpayers who miss the filing deadline for either exemption may file a late application directly with the March Board of Review. The March Board of Review should grant the exemption as long as the taxpayer otherwise qualifies for the exemption. Both the Assessors Guide to the Small Business Taxpayer Exemption and the Assessors Guide to EMPP and ESA have been updated to reflect these statutory changes.

The updated Guide to the Small Business Taxpayer Exemption and Assessors Guide to EMPP and ESA are available online at www.michigan.gov/propertytaxexemptions.

Further information and guidance on the Eligible Manufacturing Personal Property (EMPP) Exemption, Special Acts and the Essential Services Assessment (ESA) is available at www.michigan.gov/ESA. Additional questions should be sent via email to ESAQuestions@michigan.gov.

9) Poverty Exemptions:

The State Tax Commission issued Bulletin 6 of 2017 regarding Poverty Exemptions. This Bulletin reflects updates due to recent court decisions and legislative changes. Specifically:

The Michigan Court of Appeals ruled in *Ferrero v Township of Walton* (Docket No. 302221) that monies received pursuant to MCL 206.520 (homestead property tax credit) is a rebate of property taxes and is not income for purposes of MCL 211.7u.

Statutory changes to allow an affidavit to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This does include the individual filing for the exemptions.

Board of Review members are encouraged to review Bulletin 6 of 2017 prior to the start of March Board of Review meetings.

10) Property Classification and Transfer of Ownership:

Boards of Review are encouraged to review the *Property Classification and Transfer of Ownership Guidelines* available on the State Tax Commission website.

11) Public Act 660 of 2018:

Public Act 660 of 2018 was signed by the Governor on December 31, 2018. This Public Act made several changes to the General Property Tax Act. MCL 211.10d(7) was amended to allow a village located in more than 1 assessing district to request State Tax Commission approval that the assessment of property within the village be combined with the assessment of property in 1 of those assessing districts. Public Act 660 also amends MCL 211.28(6) to allow the governing bodies of 2 or more contiguous cities or townships to enter into an agreement to appoint a single board of review to serve as the board of review for each of those cities or townships.

The State Tax Commission will provide additional resources and guidance regarding changes to be implemented as a result of Public Act 660 of 2018.

12) Resources and Training:

The State Tax Commission has published a significant amount of resource information to assist Boards of Review in carrying out their statutory responsibilities. This information can be found on the State Tax Commission website at www.michigan.gov/statetaxcommission under the Board of Review Information heading.

The State Tax Commission recommends that all new and returning Board of Review Members annually attend training to receive updated information related to legislative and policy changes that have occurred during the past year.

For additional BOR resource and training information, please contact the State Tax Commission at (517) 335-3429.

**Bulletin 16 of 2018
October 22, 2018
Changes for 2019**

TO: Assessing Officers and County Equalization Directors

FROM: State Tax Commission

SUBJECT: Procedural Changes for the 2019 Assessment Year

The purpose of this Bulletin to provide information on statutory changes or procedural changes for the 2019 assessment year.

A. Inflation Rate Used in the 2019 Capped Value Formula

The inflation rate, expressed as a multiplier, to be used in the 2019 Capped Value Formula is 1.024.

The 2019 Capped Value Formula is as follows:

$$\text{2019 CAPPED VALUE} = (\text{2018 Taxable Value} - \text{LOSSES}) \times 1.024 + \text{ADDITIONS}$$

The formula above does not include 1.05 because the inflation rate multiplier of 1.024 is lower than 1.05.

B. Federal Poverty Guidelines Used in the Determination of Poverty Exemptions for 2019

MCL 211.7u, which deals with poverty exemptions, was significantly altered by PA 390 of 1994 and was further amended by PA 620 of 2002.

Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and those income levels **shall not be set lower** by a city or township than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services. This means, for example, that the income level for a household of 3 persons **shall not** be set lower than \$20,780 which is the amount shown on the following chart for a family of 3 persons. The income level for a family of 3 persons may be set higher than \$20,780. Following are the federal poverty guidelines for use in setting poverty exemption guidelines for 2019 assessments:

Size of Family Unit	Poverty Guidelines
1	\$12,140
2	\$16,460
3	\$20,780
4	\$25,100
5	\$29,420
6	\$33,740
7	\$38,060
8	\$42,380
For each additional person	\$4,320

Note: PA 390 of 1994 states that the poverty exemption guidelines established by the governing body of the local assessing unit shall also include an asset level test. An asset test means the amount of cash, fixed assets or other property that could be used, or converted to cash for use in the payment of property taxes. The asset test should calculate a maximum amount permitted and all other assets above that amount should be considered as available. Please see STC Bulletin 6 of 2017 for more information on poverty exemptions.

Note: P.A. 135 of 2012 changed the requirements for filing documentation in support of a poverty exemption to allow an affidavit (Treasury Form 4988) to be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current year or in the immediately preceding year. This does include the owner of the property who is filing for the exemption.

C. Multipliers for the Valuation of Free-Standing Communication Towers

The State Tax Commission recommends that, subject to the qualifications stated below, communication towers should be valued for the 2019 assessment year using the table of **historical** (original cost when the tower was new) cost valuation multipliers set forth in the multiplier table below. These multipliers have been developed in a manner such that they account for the typical depreciation which is expected for a tower of the indicated age and also account for changes in the cost of the tower and erecting it that have occurred since the time the tower was constructed. On this basis, the multiplier table which is shown below is intended to predict the current true cash value of a tower of the vintage year in which the tower was constructed. An important component in determining the current value of a tower built in a given year is the change in the cost of materials, particularly changes in the cost of steel, between the time of construction and the current tax day. Since the table considers both depreciation and changes in construction costs, and since changes in construction cost have not always occurred at a constant rate, the multiplier table does not always evidence a decline in the rate by which the historical cost must be adjusted in order to determine current value. This effect is expected and can be better understood if one remembers that the multiplier table is not a depreciation table and the multipliers are applied to the historic cost of construction, not to the current replacement cost.

Communication towers are real property. When a communication tower is built on land owned by the owner of the tower, the tower is valued and assessed as a real property improvement to the land on which it is located. When a communication tower is built on leased land, the owner is required to report the original construction cost of the tower on Section N of its personal property statement, in the same way that it would report any other structure on leased land. Although the construction costs are reported on the personal

property statement, a tower on leased land is not assessed on the personal property assessment roll. Instead, the assessor is required to establish a separate real property assessment for a tower located on leased land, using the procedures set forth in State Tax Commission Bulletin 8 of 2002 and State Tax Commission Bulletin 1 of 2003.

Please note: Sometimes communication towers are located on land that is exempt because the land is owned by an exempt entity such as a municipality or is otherwise exempt. When this occurs, the tower must be assessed to the tower owner on the real property roll as a structure on leased land. IN ADDITION, the assessor must also consider whether the land should also be assessed to the tower owner as provided by MCL 211.181.

There may be situations where the value of a particular freestanding communication tower is more or less than the figure developed by using this table. This could be due to unusual depreciation (physical deterioration and/or obsolescence) or an unusual enhancement in value caused by supply and demand factors in a particular area.

Property Statement for Communication Towers (Form 3594) is to be used for reporting the costs of freestanding communication towers. This form was developed for the specific purpose of gathering construction cost information for communication towers. The assessor may use this form to gather detailed information regarding the construction costs of communication towers. This cost information can then be used as a basis for valuation by multiplying the historic cost by the appropriate multiplier from the table located below.

Please note the following:

- The preferred method for valuing freestanding communication towers is using original cost new multiplied by the appropriate multiplier from the following table.
- In some cases historical/original cost may be unobtainable. Those cases may require using the Assessor's Manual cost new multiplied by the Assessor's Manual depreciation table multiplier.
- Do not apply the Assessor's Manual depreciation table multipliers to the historical/original cost of a tower.
- Do not apply the communication tower multipliers from the following table to the Manual cost new of a tower.

Form 3594 is a real property statement and, as such, the taxpayer is not required to complete and submit the form to the assessor unless the taxpayer is specifically asked to do so. If a communication tower is located on leased land, the owner should already be reporting its original acquisition costs on Section N of the personal property statement (Form 632 (L-4175)). If so, the assessor would only need to send Form 3594 if more detailed information regarding costs is needed. The assessor IS NOT REQUIRED TO SEND Form 3594 to tower owners each year. The following table applies to both guyed and self-supporting communication towers.

D. Sales Studies

Equalization study dates are as follows for 2019 equalization:

Two Year Study: April 1, two years prior through March 31, current year

Single Year Study: October 1, preceding year through September 30, current year

For 2018 studies for 2019 equalization the dates are as follows:

Two Year Study: April 1, 2016 through March 31, 2018

Single Year Study: October 1, 2017 through September 30, 2018

Note that the time period revisions apply to all equalization studies, that is: sales ratio studies, land value studies and economic condition factor studies for appraisals. Also note that the revised time period for two year studies applies to all real property classifications.

Please be advised that the above sale study dates **are not** the same as the valuation date used in appeals before the Michigan Tax Tribunal. Evidence presented in a Tax Tribunal appeal should reflect the value of the property as of tax day (December 31). This means that sales

occurring *after* March 31, 2018 and September 30, 2018 should still be considered and included when submitting evidence in a Tax Tribunal appeal involving the 2019 tax year.

E. Property Classification

The State Tax Commission reminds assessors that classification is to be determined annually and is based upon the use of the property and not highest and best use of the property. The Commission is aware that some assessors are still classifying property according to highest and best use and/or are not classifying property on an annual basis. The Commission asks that all assessors take the necessary steps to ensure that all real and personal property is properly classified according to MCL 211.34c.

F. Updated Assessors Manual

The State Tax Commission at their February 14, 2017 adopted the new Assessors Manuals and approved their required use for the 2019 year. While the printed manual did not change from prior versions of the manual, the way CAMA software providers obtain the updated costs in the manual did change. This has caused some confusion regarding some items in the manual including the County Multiplier. The State Tax Commission will continue to annually receive from Marshall Swift and annually approve County Multipliers. Because of the electronic connection to the manual, those multipliers are included in the costs the CAMA providers electronically retrieve. Therefore, assessors will no longer be required to add a separate County Multiplier.

Staff continue to work with Marshall Swift and CAMA software providers on issues related to tracking of costs between the printed and electronic manual. Updates will be provided via listserv once a final solution is reached.

G. Updated Recommended Classification Codes

At the February 13, 2018 State Tax Commission meeting, the Commission adopted CAMA Data Standards, which included updated property classification codes. As a result of the Commission's prior action, the State Tax Commission at their meeting on April 9, 2018 rescinded the State Tax Commission Recommended Classification Codes adopted on April 21, 2011 and approved for use by assessors revised Recommended Classification Codes. The updated State Tax Commission Recommended Classification Codes are available online at www.michigan.gov/statetaxcommission.

H. Tax Tribunal Small Claims Division Hearings

Assessors should carefully read all notices, orders and other correspondence sent by the Tax Tribunal. Assessors should pay special attention to the Notice of Hearing and ensure they are available at the date and time of the scheduled hearing. It is important to appear at the hearing and to timely file with the Tax Tribunal and serve a copy to the taxpayer of all evidence and documentation you wish to be considered at the hearing.

Assessors representing their local unit in Tax Tribunal hearings need to submit evidence to support the value of the property under appeal. If the assessor is relying on the property record card as evidence of value, the property record card must be for the year(s) being appealed. The complete property record card, including all calculations should be provided; do not submit a property record card that states "calculations too long" and then fail to

include the additional calculations. Also, it is important to submit the studies prepared that support the economic condition factor and land value on the record card. Assessors should also be able to explain at the Tax Tribunal hearing how the value shown on the property record card was calculated. More information regarding the Michigan Tax Tribunal, including Tribunal Rules, forms and instructions is available at www.michigan.gov/taxtrib.

I. Changes to Personal Property Tax

On May 3, 2018 Governor Snyder signed in law P.A. 132 of 2018. This act made changes to the Small Business Taxpayer Exemption (MCL 211.9o), specifically changing the filing requirements to provide that eligible taxpayers do not have to annually file to receive the exemption. Taxpayers who filed for the exemption in prior years still must file Form 5076, *Small Business Property Tax Exemption Claim Under MCL 211.9o*, in 2019 to claim the exemption. Once granted, the assessor will then continue to exempt the personal property until the taxpayer files a rescission indicating they no longer qualify for the exemption. Assessors can implement an audit program to determine if taxpayers still qualify for the exemption.

As a reminder, Public Acts 261-264 of 2017 were signed into law on December 28, 2017. These Acts made several changes that affect both the Small Business Taxpayer Exemption and the Eligible Manufacturing Personal Property Exemption (EMPP).

P.A. 261 of 2017 changes the deadline for filing the Small Business Taxpayer Exemption to February 20 and changed Form 5076 from an Affidavit to a Statement. This allows the assessor to accept either a facsimile or electronic signature on Form 5076. Form 5076 has been updated to reflect these statutory changes.

P.A. 261-264 of 2017 also changed the statute to allow assessors to accept a postmark by February 20 for Form 5278 to claim the EMPP exemption. Form 5278 and Form 632 (Personal Property Statement) have been updated to reflect these statutory changes.

Finally, P.A. 261-264 of 2017 changed the appeal procedure for both the Small Business Taxpayer Exemption and the EMPP exemption. Taxpayers who miss the filing deadline for either exemption may file a late application directly with the March Board of Review. The March Board of Review should grant the exemption as long as the taxpayer otherwise qualifies for the exemption. Both the Assessors Guide to the Small Business Taxpayer Exemption and the Assessors Guide to EMPP and ESA have been updated to reflect these statutory changes.

The updated Guide to the Small Business Taxpayer Exemption and Assessors Guide to EMPP and ESA are available online at www.michigan.gov/propertytaxexemptions.

Further information and guidance on the Eligible Manufacturing Personal Property (EMPP) Exemption, Special Acts and the Essential Services Assessment (ESA) is available at www.michigan.gov/ESA. Additional questions should be sent via email to ESAQuestions@michigan.gov.

J. Principal Residence Exemption

Public Act 133 of 2018 was signed into law on May 3, 2018. The Act amended the General Property Tax Act to remove a requirement that a property must be unoccupied in order for an individual who resides in a nursing home or assisted living facility to continue to claim a principal residence exemption (PRE) on the property. It also allows the exemption to continue for a situation in which the individual is residing in “any other location,” as long as the individual is residing there solely for purposes of convalescence. Convalescence is a state of recovering from a disease, operation, or injury. A convalescent is a person in that state. A convalescent may choose to be cared for at home or a relative’s home rather than in a nursing home or assisted living center. For example, a person who has just had a stroke and who is recovering and rehabilitating at a relative’s home is an example of a convalescent.

More information can be found on the PRE website at www.michigan.gov/PRE. Treasury staff is available to assist and answer questions regarding this Act or other PRE-related questions. The following are key contacts:

- PRE Unit Phone Number: (517) 373-1950
- PRE Program E-mail Address: PTE-Section@michigan.gov

K. Omitted or Incorrectly Reported Property (MCL 211.154)

The State Tax Commission at their meeting on November 28, 2017 approved revised Omitted or Incorrectly Reported Property MCL 211.154 Forms. The prior form versions will no longer be accepted. Please be advised if the old forms are submitted, they will be returned and will need to be resubmitted.

Questions can be directed to the staff at Treas-154petitions@michigan.gov. Additional information, including Bulletin 2 of 2018 and copies of the approved forms are available online at www.michigan.gov/154petitions.

L. Residential Solar Panels

The State Tax Commission at their meeting on February 13, 2018 rescinded their prior guidance on the treatment of solar panels on residential real properties and determined that solar panels on a parcel classified as residential real property shall be assessed as a component of the real property. Assessors are advised to review and utilize the New Assessors Manual to cost residential solar panels as a component of the residential real property improvements. This determination is limited to solar panels on real property classified under MCL 211.34c as residential real property only. The staff memorandum to the State Tax Commission is available online at www.michigan.gov/statetaxcommission.

M. Authority of July and December Boards of Review

The State Tax Commission has become aware of a significant number of instances where Boards of Review are acting outside their statutory authorities. MCL 211.53b specifies: The board of review meeting in July and December shall meet only for the purpose described in subsection (1) (Qualified Errors) and to hear appeals provided for in sections 7u (Poverty Exemption), 7cc (Principal Residence Exemption), 7ee (Qualified Agricultural Exemption), 7jj (Qualified Forest Exemption), and 9o (Small Business Taxpayer Exemption).

Assessors should carefully review the Board of Review FAQ on the Commission’s website to ensure their Boards of Review are acting within their statutory authorities.

STATE OF MICHIGAN
DEPARTMENT OF TREASURY
LANSING

RICK SNYDER
GOVERNOR

NICK A. KHOURI
STATE TREASURER

Bulletin 6 of 2017
June 6, 2017
Poverty Exemption

TO: Assessors and Equalization Directors

FROM: State Tax Commission

SUBJECT: Exemption of Principal Residence by Reason of Poverty

Bulletin 5 of 1995, Bulletin 7 of 2010 and Bulletin 5 of 2012 are rescinded.

MCL 211.7u provides for a property tax exemption, in whole or part, for the principal residence of persons who, by reason of poverty, are unable to contribute to the public charges. Principal residence is defined in MCL 211.7dd as a principal residence or qualified agricultural property. MCL 211.7u(1) states that this section does not apply to property of a corporation. Even if a corporation or a limited liability company meets the definition of a principal residence or a qualified agricultural property, it is not be eligible to receive a poverty exemption.

Local Unit Responsibilities:

MCL 211.7u requires local units to annually adopt a policy, including an asset test, used to approve or deny poverty exemptions.

First, local units must annually adopt guidelines which specify the total household income which will be used to approve or deny poverty exemptions. Statute requires that the income levels shall not be set lower than the federal poverty guidelines updated annually by the U.S. Department of Health and Human Services and published by the State Tax Commission in their annual Procedural Changes Bulletin.

According to the U.S Census Bureau, "income" includes, but is not limited to:

- Money, wages, salaries before deductions, regular contributions from persons not living in the residence
- Net receipts from non-farm or farm self-employment (receipts from a person's own business, professional enterprise, or partnership, after business expense deductions)
- Regular payments from social security, railroad retirement, unemployment, worker's compensation, veteran's payments, public assistance, supplemental security income (SSI)
- Alimony, child support, military family allotments
- Private and governmental retirement and disability pensions, regular insurance, annuity payments

- College or university scholarships, grants, fellowships, assistantships
- Dividends, interest, and net income from rentals, royalties, estates, trusts, gambling or lottery winnings

Second, the local unit policy must include an asset test. The purpose of an asset test is to determine the resources available: cash, fixed assets or other property that could be converted to cash and used to pay property taxes in the year the poverty exemption is filed. The local unit should require that claimants provide a list of all assets when applying for a poverty exemption. Following is a list of assets that may be included in the annual guidelines.

- A second home, land, vehicles
- Recreational vehicles such as campers, motor-homes, boats and ATV's
- Buildings other than the residence
- Jewelry, antiques, artworks
- Equipment, other personal property of value
- Bank accounts (over a specified amount), stocks
- Money received from the sale of property, such as, stocks, bonds, a house or car (unless a person is in the specific business of selling such property)
- Withdrawals of bank deposits and borrowed money
- Gifts, loans, lump-sum inheritances and one-time insurance payments
- Food or housing received in lieu of wages and the value of food and fuel produced and consumed on farms
- Federal non-cash benefits programs such as Medicare, Medicaid, food stamps and school lunches

The Michigan Tax Tribunal in *Robert Taylor v Sherman Twp.*, Docket No. 236230 ruled that the asset test does not include the value of the principal residence. Additionally, the Michigan Court of Appeals in *Ferrero v Township of Walton*, No. 302221, ruled that the homestead property tax credit is not to be considered income for poverty exemption purposes.

The local unit policy may provide for an applicant to own possessions in addition to the principal residence and still receive a poverty exemption. Examples may include, but are not limited to:

- Additional vehicles
- More land than a minimum "footprint" for the home
- Equipment or other personal property of value, including recreational vehicles (campers, motor homes, boats, ATV's etc.)
- Bank account(s) (a maximum amount should be specified)

Third, MCL 211.7u(1) allows for partial poverty exemptions to be granted. A partial poverty exemption is an exemption of a percentage of the taxable value of the principal residence rather than the entire taxable value. The local unit can limit poverty exemptions to partial exemptions or to minimum or maximum exemption of their choosing. The State Tax Commission recommends that local governing bodies include within their annual guidelines, language and criteria for granting partial exemptions and/or minimum or maximum exemptions.

Finally, the State Tax Commission recommends that local units develop an application to be used by claimants and a written policy that details the process. To assist local governing bodies, the State Tax Commission has developed a sample application and resolution. See attached.

Taxpayer Filing Requirements:

In order to receive a poverty exemption, a taxpayer must annually file a completed application form and all required additional documentation, with the supervisor, assessor, or the Board of Review where the property is located. The application form may be obtained from the local unit where the property is located and may be submitted on or after January 1 but before the day prior to the last day of the December Board of Review during the year in which the exemption is requested.

To ensure an application is received in time to be heard by a Board of Review, the State Tax Commission recommends the claimant contact the local governing unit directly to verify deadline dates for submission of an application.

In addition to annually filing the application, in order to be eligible for the poverty exemption, a taxpayer must do all of the following:

1. Own and occupy the principal residence.
2. Provide federal and state income tax returns for the current or immediately preceding year, including any property tax credits, for all persons residing in the principal residence (disclosure of the income of an owner who is not residing in the principal residence is not required). An alternative affidavit may be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current or immediately preceding year. (See Form 4988, *Poverty Exemption Affidavit*)
3. Produce a valid driver's license, or other form of identification, if requested by the supervisor, assessor or Board of Review.
4. Produce a deed, land contract, or other evidence of ownership of the property, if requested by the supervisor, assessor or Board of Review.
5. Meet the federal poverty income guidelines determined annually by the U.S. Department of Health and Human Services OR meet allowable alternative income guidelines adopted by the local governing body.
6. Meet the asset level test adopted by the local governing body.
7. Meet additional tests reasonably adopted by the local governing body.

Board of Review Responsibilities:

MCL 211.7u(1) indicates: The principal residence of persons who, in the judgment of the supervisor and board of review, by reason of poverty, are unable to contribute to the public charges is eligible for exemption in whole or part from taxation under this act.

The State Tax Commission has determined that the supervisor shall make a recommendation regarding the claimant's petition and the Board of Review shall consider, review and then approve or deny the exemption request.

Additionally, MCL 211.7u(5) states, in part: The Board of Review shall follow the policy and guidelines of the local assessing unit in granting or denying an exemption under this section.

When reviewing an application, the Board of Review should consider all information available to them at that time. They should consider all documentation originally submitted by the taxpayer and any additional relevant information that is available to the Board of Review.

The Board of Review can deviate from the adopted policy and guidelines of the local unit only when there are "substantial and compelling reasons why there should be a deviation from the policy and guidelines." If the Board of Review deviates from the adopted policy and guidelines, they are required by statute to communicate the substantial and compelling reasons for the deviation from the guidelines in writing to the taxpayer.

Appeal Rights:

A property owner or assessor may appeal a decision of the March Board of Review by completing and submitting a petition to the Michigan Tax Tribunal no later than July 31 of the same year. A property owner or assessor may appeal a decision of the July or December Board of Review by completing and submitting a petition to the Michigan Tax Tribunal within 35 days of the July or December Board of Review's denial of the poverty exemption.

An application for poverty exemption, for a specific principal residence, may only be acted upon by the Board of Review once a year. If an application is denied at the March Board of Review, it may not be reheard by the July or December Board of Review during the same calendar year. The taxpayer must file an appeal of the March Board of Review determination to the Michigan Tax Tribunal. Similarly, if an application is denied at the July Board of Review, the December Board cannot rehear that application, the taxpayer must file an appeal to the Michigan Tax Tribunal.

A person who files a claim for poverty exemption is not prohibited from also appealing the assessment on the same property in the same year.

SUPPLEMENTARY INFORMATION:

Background

Section 673(2) of the Omnibus Budget Reconciliation Act (OBRA) of 1981 (42 U.S.C. 9902 ([\(https://www.govinfo.gov/link/uscode/42/9902?type=usc&year=mostrecent&link-type=html\)](https://www.govinfo.gov/link/uscode/42/9902?type=usc&year=mostrecent&link-type=html))(2)) requires the Secretary of the Department of Health and Human Services to update the poverty guidelines at least annually, adjusting them on the basis of the Consumer Price Index for All Urban Consumers (CPI-U). The poverty guidelines are used as an eligibility criterion by Medicaid and a number of other Federal programs. The *poverty guidelines* issued here are a simplified version of the *poverty thresholds* that the Census Bureau uses to prepare its estimates of the number of individuals and families in poverty.

As required by law, this update is accomplished by increasing the latest published Census Bureau poverty thresholds by the relevant percentage change in the Consumer Price Index for All Urban Consumers (CPI-U). The guidelines in this 2019 notice reflect the 2.4 percent price increase between calendar years 2017 and 2018. After this inflation adjustment, the guidelines are rounded and adjusted to standardize the differences between family sizes. In rare circumstances, the rounding and standardizing adjustments in the formula result in small decreases in the poverty guidelines for some household sizes even when the inflation factor is not negative. In cases where the year-to-year change in inflation is not negative and the rounding and standardizing adjustments in the formula result in reductions to the guidelines from the previous year for some household sizes, the guidelines for the affected household sizes are fixed at the prior year's guidelines. As in prior years, these 2019 guidelines are roughly equal to the poverty thresholds for calendar year 2018 which the Census Bureau expects to publish in final form in September 2019.

The poverty guidelines continue to be derived from the Census Bureau's current official poverty thresholds; they are not derived from the Census Bureau's Supplemental Poverty Measure (SPM).

The following guideline figures represent annual income.

2019 Poverty Guidelines for the 48 Contiguous States and the District of Columbia

Persons in family/household	Poverty guideline

2	16,910
3	21,330
4	25,750
5	30,170
6	34,590
7	39,010
8	43,430

For families/households with more than 8 persons, add \$4,420 for each additional person.

2019 Poverty Guidelines for Alaska

5	37,720
6	43,250
7	48,780
8	54,310

For families/households with more than 8 persons, add \$5,530 for each additional person.

2019 Poverty Guidelines for Hawaii

Persons in family/household	Poverty guideline
1	\$14,380
2	19,460
3	24,540
4	29,620
5	34,700
6	39,780
7	44,860
8	49,940

For families/households with more than 8 persons, add \$5,080 for each additional person.

Separate poverty guideline figures for Alaska and Hawaii reflect Office of Economic Opportunity administrative practice beginning in the 1966-1970 period. (Note that the Census Bureau poverty thresholds—the version of the poverty measure used for statistical purposes—have never had separate figures for Alaska and Hawaii.) The poverty guidelines are not defined for Puerto Rico or other outlying jurisdictions. In cases in which a Federal program using the poverty guidelines serves any of those jurisdictions, the Federal office that administers the program is generally responsible for deciding whether to use the contiguous-states-and-DC guidelines for those jurisdictions or to follow some other procedure.

Due to confusing legislative language dating back to 1972, the poverty guidelines sometimes have been mistakenly referred to as the “OMB” (Office of Management and Budget) poverty guidelines or poverty line. In fact, OMB has never issued the guidelines; the guidelines are issued each year by the Department of Health and Human Services. The poverty guidelines may be formally referenced as “the poverty guidelines updated periodically in the **Federal Register** by the U.S. Department of Health and Human Services under the authority of 42 U.S.C. 9902 ([\(https://www.govinfo.gov/link/uscode/42/9902?type=usc&year=mostrecent&link-type=html\)](https://www.govinfo.gov/link/uscode/42/9902?type=usc&year=mostrecent&link-type=html))(2).”

Some federal programs use a percentage multiple of the guidelines (for example, 125 percent or 185 percent of the guidelines), as noted in relevant authorizing legislation or program regulations. Non-Federal organizations that use the poverty guidelines under their own authority in non-Federally-funded activities also may choose to use a percentage multiple of the guidelines.

The poverty guidelines do not make a distinction between farm and non-farm families, or between aged and non-aged units. (Only the Census Bureau poverty thresholds have separate figures for aged and non-aged one-person and two-person units.)

Note that this notice does not provide definitions of such terms as “income” or “family,” because there is considerable variation in defining these terms among the different programs that use the guidelines. These variations are traceable to the different laws and regulations that govern the various programs. This means that questions such as “Is income counted before or after taxes?”, “Should a particular type of income be counted?”, and “Should a particular person be counted as a member of the family/household?” are actually questions about how a specific program applies the poverty guidelines. All such questions about how a specific program applies the guidelines should be directed to the entity that administers or funds the program, since that entity has the responsibility for defining such terms as “income” or “family,” to the extent that these terms are not already defined for the program in legislation or regulations.

Alex M. Azar,

Secretary of Health and Human Services.

THE GENERAL PROPERTY TAX ACT (EXCERPT)
Act 206 of 1893

211.7u Principal residence of persons in poverty; exemption from taxation; applicability of section to property of corporation; eligibility for exemption; application; policy and guidelines to be used by local assessing unit; duties of board of review; appeal of property assessment; "principal residence" defined.

Sec. 7u. (1) The principal residence of persons who, in the judgment of the supervisor and board of review, by reason of poverty, are unable to contribute toward the public charges is eligible for exemption in whole or in part from taxation under this act. This section does not apply to the property of a corporation.

(2) To be eligible for exemption under this section, a person shall do all of the following on an annual basis:

(a) Be an owner of and occupy as a principal residence the property for which an exemption is requested.

(b) File a claim with the supervisor or board of review on a form provided by the local assessing unit, accompanied by federal and state income tax returns for all persons residing in the principal residence, including any property tax credit returns, filed in the immediately preceding year or in the current year. Federal and state income tax returns are not required for a person residing in the principal residence if that person was not required to file a federal or state income tax return in the tax year in which the exemption under this section is claimed or in the immediately preceding tax year. If a person was not required to file a federal or state income tax return in the tax year in which the exemption under this section is claimed or in the immediately preceding tax year, an affidavit in a form prescribed by the state tax commission may be accepted in place of the federal or state income tax return. The filing of a claim under this subsection constitutes an appearance before the board of review for the purpose of preserving the claimant's right to appeal the decision of the board of review regarding the claim.

(c) Produce a valid driver's license or other form of identification if requested by the supervisor or board of review.

(d) Produce a deed, land contract, or other evidence of ownership of the property for which an exemption is requested if required by the supervisor or board of review.

(e) Meet the federal poverty guidelines updated annually in the federal register by the United States department of health and human services under authority of section 673 of subtitle B of title VI of the omnibus budget reconciliation act of 1981, Public Law 97-35, 42 USC 9902, or alternative guidelines adopted by the governing body of the local assessing unit provided the alternative guidelines do not provide income eligibility requirements less than the federal guidelines.

(3) The application for an exemption under this section shall be filed after January 1 but before the day prior to the last day of the board of review.

(4) The governing body of the local assessing unit shall determine and make available to the public the policy and guidelines the local assessing unit uses for the granting of exemptions under this section. The guidelines shall include but not be limited to the specific income and asset levels of the claimant and total household income and assets.

(5) The board of review shall follow the policy and guidelines of the local assessing unit in granting or denying an exemption under this section unless the board of review determines there are substantial and compelling reasons why there should be a deviation from the policy and guidelines and the substantial and compelling reasons are communicated in writing to the claimant.

(6) A person who files a claim under this section is not prohibited from also appealing the assessment on the property for which that claim is made before the board of review in the same year.

(7) As used in this section, "principal residence" means principal residence or qualified agricultural property as those terms are defined in section 7dd.

RE: DEMOLITION BOND QUESTIONS

I am requesting responses to my questions regarding the proposed demolition bond initiative. After reviewing the LPD report I want to ensure I have an understanding of the issues as identified. Please review and respond to the list of questions and requests below.

1. Please solidify the bond number at \$225m or \$250m. The mixing of numbers is confusing to the public and leads to distrust.
2. Please prepare a diagram that illustrates the stress test results on the final bond offering scenario selected by the administration.
3. Please respond to the recommendation that all demolition activities be located and managed by one office for efficiency purposes. Does the administration plan to implement this recommendation?
4. Please detail how the administration plans to comply with all IRS regulations around the tax exempt status of the bonds. I.e. Who will be responsible for the compliance, where will the records be held, how will this compliance process be carried out over the 30 years of the bonds, which departments will be involved in compliance, etc?
5. The LPD report indicates every parcel which receives an investment of blight bonds will have to be tracked for compliance purposes. Is this an accurate portrayal of the level of monitoring required for these bonds to comply with IRS tax exempt regulations?
6. Please describe a worst case scenario, where the City cannot maintain compliance with the blight bonds and the IRS removes the tax exempt status. How would this situation impact the:
 - a. Detroit taxpayers
 - b. City of Detroit
 - c. Purchasers of the bonds
7. After 2025 the administration indicates the City should experience the need for 100-200 demolitions per year. Justify this estimate?
8. The LPD report provides a narrative of how the City's debt policy is impacted by the bond proposal and debt affordability. A series of metrics/ratios is indicated as the measurements to verify if the bonds comply with our debt policy. Please prepare info graphics to illustrate visually how these metrics/ratios are calculated, so the layperson can understand how they work. Ex. 1.85X is indicated as a reasonable ratio on page 14 of the LPD report.

Please provide your responses by 23 Oct 2019. If you have any questions do not hesitate to contact my office at, 313-224-1198
